

Madison's Most "Spirited" Meeting Place!

Finding conveniently-located, inexpensive, and unique locations to host your events can be a challenge. We invite you to consider a trip to Yahara Bay Distillers, Dane County's first distillery, specializing in hand-crafted small batch spirits made from the best ingredients in Wisconsin.

Whether you need a private space for meetings and presentations, are looking for an interactive environment for networking events, or just want a change of scenery, Yahara Bay offers your group a one-of-a-kind space and experience unlike any other in Madison. And our location, just minutes from downtown on Fish Hatchery Road, has plenty of free parking and is easily accessed from the Beltline.

The Distillery

At the heart of the distillery is "CARL" our 90-gallon copper still, surrounded by over 1,000 sq. feet of open floor space. We can accommodate up to 65 people for seated presentations or up to 100 for group tours or cocktail-style networking events. For food, A/V services, or special rentals we can happily recommend a few of our favorite vendors, or feel free to arrange your own. You'll work directly with our on-site event coordinator, and have YB staff on hand throughout your event to make sure everything runs smoothly.

The Gallery

In keeping with our belief that distilling is as much an art as it is a science, we are excited to showcase the works of many of Dane County's emerging and established artists. The gallery is able to accommodate up to 25 people for private meetings, small gatherings, or tours. The gallery is also open for viewing during any event hosted at our facility. This space also houses our retail store where our spirits and gourmet food line can be sampled and purchased.

The Details

Tours and tastings are available as part of any event. We can also provide a cash bar for mixed drinks, and upon request will create a specialty cocktail for your event. Rental fees for the use of our facility vary based on the number of attendees. For individual tours and tastings we charge \$5 per person, with special rates for large groups.
